

Companies with Matching Gift Programs

The companies listed below will match donations that their employees make, including donations to KFAI. If you work at one of these companies and notify them of your donation, your employer will make a matching gift to KFAI. Many companies will also donate matching donations for your volunteer hours. For example, 3M matches 20 hours of volunteer hours per each employee. For details, talk to your company's HR representative.

If your company makes matching gifts and is not listed, or if you have any other questions about matching gifts, please contact KFAI at 612-341-3144 or sam@kfai.org
